Text: *Calculus* by Varberg, Purcell, and Rigdon (8th edition)

We will cover Chapters 2 through 7 of Varberg. Your grade will be based on the following:

- **Homework** (25%). Homework is due each Wednesday at the beginning of class. I encourage you to work together on the homework. If you cannot come to class to turn in your work, please put it in my mailbox on the second floor of Van Vleck. I will not accept late work, but I will drop the lowest score.
- **Quizzes** (15%). We will have a 1-problem quiz each Friday at the end of class, except of course during weeks when we have an exam. I will not give makeup quizzes, but I will drop the lowest score.
- **Exams** (20% each). We will have three exams:
  - Friday, February 24, in class.
  - Friday, April 7, in class.
  - Sunday, May 7, 7:25-9:25 PM, in a room to be announced.
