- Your grade will be based on the following:
 - Two midterm exams (25% each). These will be on March 1 and April 19 in lecture.
 - A final exam (40%). This will be on May 18 at 10:05 AM in a room to be announced.
 - Discussion section (10%).
- Professor Wainger will assign homework in lecture. Homework is due Monday by 5:30 PM in my box on the second floor of Van Vleck.
- At the beginning of discussion, two students will present a 10- to 15-minute summary of Wainger's lecture from the previous day. Periodically, this will be you.
- We may occasionally have group work or a quiz.
- My discussion sections are at 7:45 in B211 and 8:50 in B333. If you cannot make it to your regular section some week, feel free to come to the other one.
