Instructor: Nick Addington  
E-mail: adding@math.wisc.edu  
Office: 101 Van Vleck #25  
Office Hours: M 12:00–1:00 and 4:30–5:30, and by appointment.

Your section grade will be based on:

- **Reading.** I will assign weekly reading. By each **Sunday evening at 9:00 PM**, send me an e-mail containing

1. A brief summary of what you read.
2. At least one question about the reading that you would like addressed in class.

Please put “222” in the subject of your e-mail. All together, these reading reports will count the same as one homework assignment. You may skip one reading report for free.

- **Homework** (75%). I will also assign weekly homework. It is due each **Tuesday at 5:30** in my mailbox on the second floor of Van Vleck (in the tower). Late work will not be accepted. The two lowest scores will be dropped.
- **Quizzes** (25%). I will give a 1-problem quiz at the end of every class. There will be no makeup quizzes; if you need to miss class, please contact me in advance. The four lowest scores will be dropped.

There will be no class on Wednesday, November 24, which is the day before Thanksgiving.
