Math 571: Mathematical Logic

Instructor: Prof. Steffen Lempp (office: 525 Van Vleck Hall, phone: 263-1975, email: lempp@math.wisc.edu, WWW home page: http://www.math.wisc.edu/~lempp with homework and exam information)

Office hours: Mondays, Wednesdays and Fridays 9:55-10:45 a.m., or see me after class to arrange an alternative time if you can’t make the regular times.

Homework: Assigned on Wednesdays, collected on the following Wednesday at the beginning of class.

Exams: Two midterm exams (Wednesdays, October 10 and November 14, 5:30-6:30 p.m.) and final exam (Wednesday, December 20, 2:45-4:45 p.m.). Makeup exams will be scheduled only with the instructor’s consent, and only in case of illness, family emergency, or conflict with a class requiring your attendance. (Your final exam can also be rescheduled if you have more than two exams during a 24-hour period.)

Grades: Based one third each on homework, the two midterm exams, and the final exam. You are required to prepare your homework assignments on your own (but are encouraged to work on similar problems with others). There will be no credit for copied or (unexcused) late homework. Valid excuses for late homework are illness or family emergency.

Syllabus: We will cover most of chapters 1-3.
