Exercises from Parker & Baldridge:

Section 7.1 (p.172) # 3, 6, 7, 8 (I would also recommend reading the sections given in 1, 2, 4, and 5, but you do not need to turn those in)
Section 7.2 (p.177) # 2, 4, 6 (I would recommend doing the “study the textbook” exercises in this section as well)

Class Activities from Beckmann:
