Exams:

There will be two exams during the semester given during the regular class period, and a
final exam given after the end of classes. The dates and times of these exams are as follows:

<table>
<thead>
<tr>
<th>Exam</th>
<th>Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exam #1</td>
<td>Thursday, October 2</td>
<td>1:00 – 2:15 PM</td>
</tr>
<tr>
<td>Exam #2</td>
<td>Thursday, November 6</td>
<td>1:00 – 2:15 PM</td>

</tr>
</tbody>
</table>

The location of the final exam will be announced late in the semester. The date and time of
the final examination are set by the University. I cannot reschedule the final exam or
give make-ups to accommodate an early departure from Madison. Please inform
me early in the semester if you have a legitimate conflict with the final exam.

Assignments:

Homework problems will be posted on this web page, with a given due date. I expect all
assignments to be written neatly, and handed in on time.

Grading:

Each in-class exam is worth 100 points, the final exam is worth 200 points, and homework
is worth 100 points. Your final grade will be based on your total out the maximum possible
500 points.
