

# Join us for the **Madison Math Circle!**

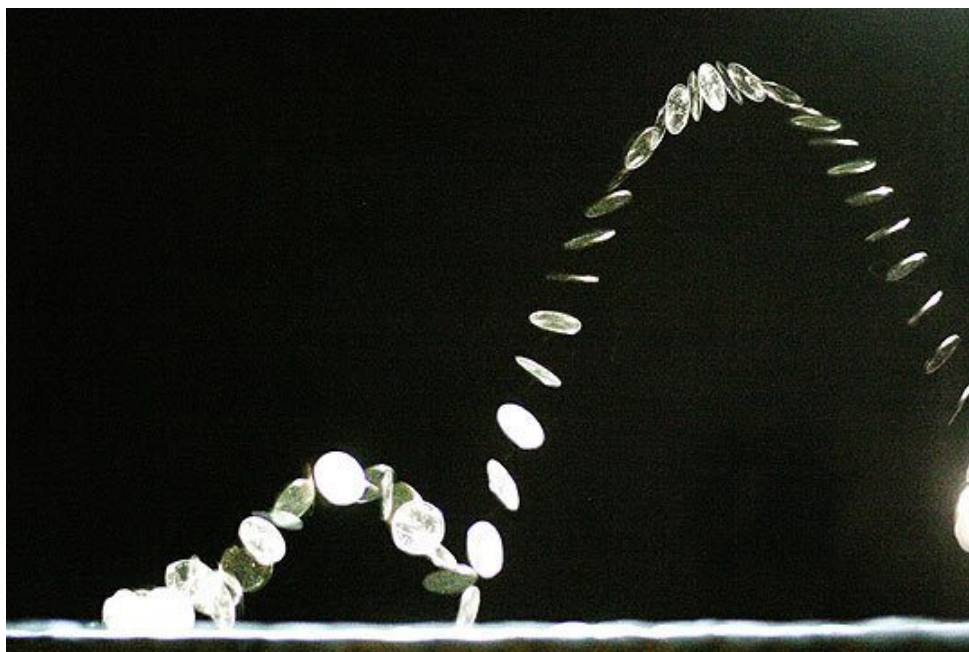

---

Monday, October 15  
6:00pm, B223 Van Vleck Hall  
UW-Madison Campus.

---

Prof. Philip Matchett Wood will speak on

## **Fun Flipping Coins**

- Can a human be as random as a coin?
- In a world of chance, what can mathematics predict?

► **Come to discover—Come to explore** ◀

---

**FREE PIZZA** will be served!!

For more info, google “Madison Math Circle” and go to the [Uwmathwiki](#).
