Join us for the next meeting of the

Madison Math Circle!

Monday, November 12
6:00pm, B223 Van Vleck Hall
UW-Madison Campus.

Alison Gordon will speak on

Curious Catalan Numbers!

The Catalan numbers are a sequence that shows up as solutions to
all sorts of problems in mathematics. Join us as we count
handshakes, match parentheses, and build mountains in order to
understand these interesting numbers!

FREE PIZZA will be served!!

For more info, google "Madison Math Circle" and go to the `Uwmathwiki`.
